

ENCLOSURE 5

CONSOLIDATION OF HEADQUARTERS PROCUREMENT ACTIVITIES

- 1. A factor that would improve the efficiency of the procurement function is the transfer of personnel and "slots" from other Agency components now authorized to have procurement personnel. These include approximately 11 in DD/S&F and 1 in MPIC. There are numerous reasons why a decentralized procurement progress is both impractical and wasteful.
- 2. Implementation of this proposal would probably require a decision at the BDCI level.
